**FOR IMMEDIATE RELEASE**

The West Texas Division of the National Multiple Sclerosis Society is happy to present the 1998 MS Walk results. In 1997, Division wide, we had 510 Walkers who raised \$34,000 with \$5,900 in sponsorships. This year, we quadrupled our earnings with 1898 Walkers who raised \$122,959.62 with \$34,180 in sponsorships.

Locally in Snyder, there were 112 Walkers who raised \$9,879 (Good Job!). For outstanding achievements, we would like to distinguish KSNY. Because of the tremendous media coverage from them, they are receiving the Industry Challenge Award, which is having the most Walkers per capita in the category of Media. Special thanks goes to the Community Walk Coordinators, Damon and Susanno Kennedy, for their hard work, which without it, couldn't have been as successful as it was. We would also like to thank the city of Snyder for their huge support in this year's first MS Walk!

Multiple sclerosis (MS) is a chronic, often disabling disease. It's so devastating because you don't know when you'll have an attack, how long they will last, or how severe they will be. MS often strikes adults between the ages of 20 and 40 - when most people are starting families and careers. The National Multiple Sclerosis Society is geared towards finding a cure and ending the devastating effects of MS. With such positive results of this year's MS Walk in Snyder, we plan to start new programs across the Division in education and coping with this life changing disease.

From the staff, volunteers and clients living in West Texas, we thank you from the bottom of our hearts for all your support.

Hubert & Mary Cargile Scholarship  
Foundation would like to say "Thank You!"

Texas Savings Bank. The RITZ is such a treasure and the volunteers enjoyed seeing the youngsters having such a good time. Who said that Snyder has no culture?! The cast members were from the American Family Theater and told me they had read about Snyder and wanted to see the DeLorean. I have been gone so long I did not know what they were talking about but Jeffrey Martin arranged with Snyder National Bank a tour for them and a limousine ride from Jerry and Glenda Boyd. They had traveled all over the US but had to come to Snyder to get a Limo ride from Sharp Limousine!!! So many worked hard on this event but I wanted to say especially thanks to Ellie Dryden, Ann Smartt, Darren Jackson, Ernie Armstrong, David Harrell, Sammie Jarrell, Donna Browning, Aline Parks, Kent Wright, and Jeffrey Martin.

Santa Clause received a ride from our Snyder Fire Department to the Park where his tent was ready and decorated with lights. We want to thank

Scott Crenweldge and his Parks Department for all the work they did in making the park sparkle. Santa wanted to thank Ron Gilliland and his daughter for making this such a special day for all the kids.

The park provided a perfect location for the annual parade - the floats this year were spectacular and the Snyder High Band made it a real parade. Thanks to everyone that wanted to march in the parade and for all the wonderful half time shows during this great football season. I can say that I never had ridden on top of a fire truck before but it was a great experience. The view of the lights were so beautiful reflecting in the pond as we came around. Next year we plan to start a real Christmas Festival - so start making plans to be here. We want even more floats and participation.

The last event of the year was the open house. This year we had fabulous food from Chicken Express, Dragon China Buffet, Spanish Inn, and The

Shack. It was such a treat and we took what was left to Gateway Services. Thanks to Robert Grebba, Richard Zheng, Joni Gonzales, Mary Ann & Chon Rodriguez, Stan Pavlik and Rita Carter for providing the food. We encourage everyone to eat at all our great restaurants and shop in Snyder. I also want to say a big thanks to Nancy Smith, Aline Parks, and Jim and Jean Summers for setting up and cleaning the office. Last but not least thanks to KSNY for all the information that was given out regarding not only the open house but also the Christmas parade.

We were able to also recognize  
Patterson/UTI

on their recent award from the Texas Workforce Commission. We thank them also for all the many contributions they make to Scurry County.

We have added a new chamber member with Sandra giving birth to her beautiful baby girl. Please join the chamber if you are not a member so you can be part of this group of outstanding citizens that make a difference in this community.

I have attached a copy of a poem that I found in my desk that Donna left here and thought it would be of comfort to anyone that has lost a love one this year.

I want to close by saying it has been a joy to work with so many people that share the same goal as I do by making Snyder the best place in the world to live. God bless all in the New Year.

Dear Mr. Foree,

I just wanted to tell you Thank You, for being a part of the Steps program. I have had a really Great time working out their this week. I would now like to have a job in a radio station. I was just wondering if maybe I could get a summer job out their working on a shift with another DJ like: Pete, Cody, or BK. I think that if I was given a chance, that I could be a real good radio speaker. I ask that you would consider giving me a chance, so that one day I could possible get a job in radio. I was also wondering if I could come to the remote with yall? (tonight)

Sincerely,

The CHRISTMAS FOR KIDS volunteers would like to say "THANK YOU" to Dink and Lydia Foree, owners of KSNY Radio, and to all of the DJ's who volunteered their time to help us collect toys and money in our 6th annual toy drive. We appreciate your enthusiasm and willingness to do something that helped so many of our Scurry County children.

We at CHRISTMAS FOR KIDS know that our toy drive would not be so successful if it were not for all of the publicity that you freely give to help us in collecting. We know this because our first two years we did it all alone and it was hard. When you have more children than you have toys and very little means to purchase more toys, you have to make decisions that hurt someone. That was a hard thing to do. But thanks to some good-hearted people at KSNY Radio, we do not have to make those kind of decisions any longer. This year we collected 3,837 toys and \$2,728.00 that helped 476 Scurry County children from 168 families. Look at these totals and see what you helped us to accomplish for our 2001 CHRISTMAS FOR KIDS toy drive!

We love to hear the enthusiasm and excitement in your voices as each donation is made and as you report on the totals that we call in to you. We have gotten to know some of you better as the years go by, but it is also nice to meet new faces and put a face to a voice that we hear every day on KSNY. THANK YOU Cody Christopher, Joyce Buchanan, Rosie Tovar, Randi Lee Gentry, Penny Lane, Mark Anthony, Hal Rogers, and K. C. Lee. You gave so much of your free time to help our CHRISTMAS FOR KIDS toy drive. It is such a huge endeavor that helps so many children each year and we could not have helped them without you.

For the record, these are the names of our CHRISTMAS FOR KIDS volunteers: Joni Huffman, Alicia and David Graves, Lizz Shankles and family, Amy Shankles and family, the Autry family, Glenn Baker, Teressa Martin, David Martin, Marisa Huffman and Judi Martin (the Big Elf). We all say THANK YOU very much.

On behalf of the students, faculty, staff, and Board of Trustees of Western Texas College, I would like to again recognize and thank you for your above and beyond support of WTC. During this past summer, your assistance in helping us to raise money via the "pick-up give away" was tremendous. The college and myself will not forget your support as we work to reclaim the positive climate that WTC has enjoyed through the years.

People like you and those who work with you, are the reasons that Snyder will not only survive, but will continue to thrive as we prepare for and begin to embrace our tremendous future. One thing for sure, with your help, WTC will continue to do its part.

Thank you!
